

**Live Healthy,  
Play More!**

# Turn Lunch Time Into Play Time!

Carly Summers, Executive Director of the US Play Coalition, will lead a lunch discussion on the importance of sustaining play throughout life.

Over the past decades, play has been an underutilized strategy in developing and maintaining health and happiness. We will discuss opportunities for individuals to increase play in their personal life as well as in the life of their communities.

Following light healthy refreshments, we will enjoy recess with toys from the brand new City of Greenville Parks and Recreation mobile bus.

**Tuesday, July 16 | 12:00 noon to 1:30 p.m.**  
**Kroc Center | 424 Westfield Street**
